B. STONER, Attorney, 205 Marion Building, (Augusta, Georgia). YWCA records reflect [redacted] was born in [redacted] her home address is [redacted] and her father is [redacted] Louisville, Georgia. [redacted] said [redacted] attended Palmer Business College, Augusta, Georgia, and [redacted] denied that [redacted] is sympathetic with the NSRP. [redacted] said the YWCA in Augusta is integrated and all of the girls living there are aware of this integration policy, and she feels that if these three girls were in sympathy with the program of the NSRP, they probably would not continue to maintain their residence at the YWCA. [redacted] said these three girls are from rural areas, had apparently come to Augusta to attend business school, and she understands that [redacted] after first obtaining employment at the NSRP, had been responsible for getting [redacted] part-time jobs there.

SV 157-871

On April 4, 1966, [redacted] 11th Intelligence Corps Group, Fort Gordon, Georgia, advised that he had verified that there is a [redacted] assigned to Company Z, Communications, Fort Gordon, Georgia, whose date of birth is reflected in Army records as [redacted] at [redacted]

On March 23, 1966, SV T-4 advised that she had contacted [redacted] at NSRP Headquarters in Augusta, Georgia, in March, 1966, inquiring if the party was holding meetings in the Augusta, Georgia area. [redacted] told her that so far, there had been no meetings held in the Augusta area as the party had not progressed enough yet to have meetings. He said that when the NSRP first moved to Augusta from Birmingham, Alabama, the party paper, "The Thunderbolt", was going very slowly, but subscriptions had picked up considerably recently and it was expected that in the very near future they would announce that meetings would be held.

On March 16, 1966, SV T-5 advised that a junior high school student at Savannah, Georgia, had previously received literature from the NSRP, Augusta, Georgia, but since this student had no interest in the organization, had written the NSRP Headquarters requesting that no more literature be sent him. The source stated, however, that this student had just recently received through the mail from the NSRP Headquarters a copy of the constitution and bylaws of the party, a membership application to join the NSRP, and an organizational letter signed by [redacted]. This letter urged the student to form a local chapter of the NSRP. The letter pointed out that to do this he would need at least three local members who should meet and elect a chapter leader, an assistant leader, and a secretary. After this was done, an official charter would be issued by the NSRP Headquarters. [redacted] said the meetings were to be conducted and the chapter built strictly according to the constitution and bylaws.

NSRP CANDIDATES, FLORIDA AND OHIO

The March, 1966, issue of "The Thunderbolt", Page 1, states that candidates of the NSRP for state legislature will be on the ballot in Duval County, (Jacksonville), Florida, and Montgomery County, (Dayton), Ohio, and party supporters would have an opportunity to vote for these candidates in May, 1966.

SV 157-871

BILL TUCKER, NSRP candidate for the state House of Representatives in Ohio and his campaign manager is listed as R. D. ELDRIDGE, NSRP, National Organizer, Dayton, Ohio.

W. EUGENE WILSON, Jacksonville, Florida, and WARREN H. FOLKS, Jacksonville, Florida, were both candidates for the Florida House of Representatives according to this issue. Photographs of these three candidates appear on Page 1 of this issue of "The Thunderbolt".

On March 17, 1966, SV T-1 made available a NSRP flyer dealing with the NSRP candidates and the campaign to be conducted in Florida and Ohio. The flyer announced that the NSRP would publish a special four-page issue of "The Thunderbolt" for "total saturation" of the Dayton, Ohio, and Jacksonville, Florida, areas, with a door-to-door circulation campaign. On the front page of this issue would be pictures of the candidates and stories concerning each. On the inside two pages would be the following "indoctrinational information for each voter":

1. The Story of the Differences between White and Negro Blood
2. The Scientific Differences between the Races, Pictures of the Differences in Skulls, etc.
3. Proof that Jews are behind Both the Menace of Communism and Race Mixing
4. Addresses and Phone Numbers of Local NSRP Chapter Offices
5. Application Blank for those Desiring to Join the NSRP or Subscribe to the Paper.

This flyer explained that the purposes of the drive and the campaign are to:

1. See how many voters they could get
2. Find out how many members this political activity will bring into the party

3. How much interest in and new subscribers to the newspaper could be obtained.

ACTIVITIES IN ILLINOIS

On March 5, 1966, Lieutenant [redacted] Chicago Police Department, advised that eight pickets demonstrated at the United Artists Theater, Randolph and Dearborn Streets, Chicago, from about 7:45 PM to 8:45 PM on March 5, 1966.

The pickets carried signs calling for an end to integration and race mixing. They were demonstrating against the movie being shown, "A Patch of Blue". These demonstrators were led by an individual who identified himself to the police as [redacted]

[redacted] Leaflets passed out by the demonstrators reflected the leaflets had been prepared by the NSRP, Post Office Box 6000, Chicago, Illinois, and were captioned "United Artists Promotes Genocide". The leaflet urged that theaters showing "race mix trash" not be patronized. It stated that integration is part of the communist plan to destroy freedom and the white family. It urged the readers to join the NSRP in its fight to preserve the white Christian heritage.

ACTIVITIES IN MARYLAND

The March, 1966, issue of "The Thunderbolt", Page 8, states that JOE CARROLL, a Baltimore NSRP youth organizer, led a dozen NSRP pickets in front of the residence of Senator J. JOSEPH CURRAN, JR., (D-3rd, Baltimore). The article stated that leaflets distributed by the pickets pointed out that Senator CURRAN had forgotten that he had been elected by the white voters and was not elected to be a "lackey" for the National Association for the Advancement of Colored People. A photograph of JOSEPH CARROLL appears in conjunction with this article.

ACTIVITIES IN OREGON AND WASHINGTON

On January 17, 1966, SV T-6, advised there was to be a meeting of the NSRP at Spokane, Washington, on [redacted] [redacted] NSRP, organizer from [redacted] was expected to attend.

SV 157-871

SV T-6 advised on January 14, 1966, that about ten persons met on [redacted] at a NSRP affair at North 208 Raymond, Spokane, Washington. The source stated [redacted] was elected President, and [redacted] was elected Vice President. [redacted] was elected Sergeant at Arms, and [redacted] was elected Secretary to the Treasurer. In addition to the officers mentioned above, [redacted] of [redacted] and six others from the Spokane area attended.

SV T-6 stated that on February 4, 1966, another meeting of the NSRP was held but only five members attended that meeting.

On February 14, 1966, SV T-7 made available a letter dated February 10, 1966, prepared by the NSRP, P. O. Box 82, Dishman, Washington, addressed to "Fellow White, Gentile Americans". The letter stated the NSRP "proudly announces its second extensive speaking tour of the greater northwest". Featured speakers were listed as Reverend CONNIE LYNCH, who would give a dynamic, eye witness report of the recent Negro uprising in the Watts Area of Los Angeles, California. LYNCH was to reveal for the first time facts which the "Jew-controlled press" had not dared show the white public. The letter also said that MIKE CAMERON referred to as the NSRP Northwest Coordinator who had just completed a three-month tour of duty at the National Headquarters in Augusta, Georgia, would also be speaking on this program.

The letter stated the purpose of these meetings would be to solidify NSRP supporters in the northwest into active chapters.

The letter contained a schedule of the meetings as follows:

<u>City</u>	<u>Meeting Place</u>	<u>Date</u>
Spokane, Washington	Hall of Doges, Davenport Hotel	February 17 and 18, 1966
Yakimaw, Washington	Women's Century Club Hall	February 19, 1966

Page 8 of the March, 1966, issue of "The Thunderbolt" carries a report by MIKE CAMERON reflecting that Reverend CONNIE LYNCH, Polyorganizer, San Bernardino, California, and JIMMY BRITTON, party member from San Bernardino, California, and MIKE CAMERON, Polson, Montana, had conducted a speaking tour of the northwest and the article traced the tour reflecting they had appeared at Spokane, Yakimaw, Seattle, Tacoma, and Olympia, and subsequently at Portland, Oregon.

The article stated that plans had been made for a repeat tour of the northwest in April, 1966.

The report states that on the second night at Seattle, Washington, the Jews sent in a large band of "beatniks, queers, and peace creeps". CAMERON stated that these had been schooled well in what they were to do, namely, disrupt the NSRP meeting. He said while they entered the hall bent on destroying the meeting, they had left like a bunch of kittens after hearing Reverend LYNCH speak.

On February 28, 1966, Detective [redacted] Intelligence Unit, Portland Police Department, Portland, Oregon, advised that a NSRP meeting was held on the evening of February 26, 1966, at the Portland's Women's Club Auditorium, 1220 Southwest Taylor Street, at which 22 persons were present. This number included four individuals seated on the speaker's platform:

[redacted]

[redacted] said [redacted] is a resident of Portland. He also noted that most of the persons present were older individuals. [redacted] had made reservations for the use of the hall and also was Chairman of the meeting.

[redacted] said that [redacted] spoke at considerable length

and part of this was privately criticized later by [redacted] one of those in attendance. [redacted] stated that both [redacted] expressed anti-Semitic and anti-Negro views and in [redacted] remarks, he expressed opposition to Reverend MARTIN LUTHER KING and KING's activities in the Civil Rights Movement. [redacted] said trouble would result in the permissive attitude being shown toward Negroes.

ACTIVITIES IN OHIO

The June, 1965, issue of "The Thunderbolt", Page 9, reported that the Cincinnati City Council had passed a law specifically outlawing distribution of the NSRP newspaper. It stated that on May 8, 1965, the NSRP at Cincinnati was raided by local police and JERROLD BLACK, in charge of the office, was arrested and the party literature confiscated.

On January 19, 1966, SV T-8 advised that the local NSRP Office at Cincinnati continues to display "hate" literature in front of the window of their headquarters at 4176 Hamilton Avenue, Cincinnati, Ohio; however, activities continue to be quiet and slow.

On January 10, 1966, this source stated that [redacted] of the NSRP in Cincinnati was scheduled to appear in local court February 3, 1966.

On February 2, 1966, SV T-8 advised that J. B. STONER had appeared at Cincinnati on February 2, 1966, mode of travel not known, for the purpose of defending [redacted] however, the case against [redacted] was postponed two or three weeks by the local court.

ACTIVITIES IN WASHINGTON, D. C.

"The Thunderbolt", February, 1966, issue, Page 8, carries an article entitled "Un-American Rats Subpoena Attorney J. B. STONER in Giant Smear Campaign". The article states that STONER, a leader in the NSRP, had been subpoenaed to appear before the Un-American Committee in Washington even though he is not a member of the Klan. It continues that the Committee is operated by "a bunch of pimps for the Jew-controlled, race-mixing FBI and planned to lie about STONER and smear him with

SV 157-871

the kind of lies that the FBI has already planted in magazines about him".

On the same page of that issue of the paper in an article entitled "NSRP Candidates on Florida Ballots", it was stated that W. EUGENE WILSON, Duval County Director, NSRP, 643 Cassat Avenue, Jacksonville, Florida, together with other NSRP candidates for the Florida legislature must appear before the House Un-American Committee in Washington, D. C., on February 21, 1966, as the result of being subpoenaed. The article which was written by WILSON states that the Committee is wasting its time as well as WILSON's time.

On February 20, 1966, at 1.37 PM, Special Agents of the FBI observed fourteen individuals, including one female, form a picket line on Pennsylvania Avenue in front of the White House. These individuals marched, carrying placards and signs, samples of which are as follows:

"Investigate Reds, Not Patriots".

"Dissolve Un-American Rats Committee";

"Join National States Rights Party";

"Committee Afraid to Investigate Martin Luther King";

"Un-American Committee Unfair to White People";

"Un-American Committee Seeks to Mongrelize
White Race".

At 2:30 PM, the demonstrators disbanded the picket line, proceeded to their individual cars, and left the area.

During the course of the above picketing, a pretext interview by a Special Agent of the FBI was conducted with an individual who identified himself as J. E. STONER, Attorney at Law, from Augusta, Georgia. STONER said he was Vice Chairman of the National Executive Committee, NSRP, and stated that this picket line was formed to protest current House Committee on Un-American Activities hearings.

According to STONER the demonstrators were local people from the surrounding areas of Maryland and Virginia.

SV 157-871

He said that [redacted] Maryland, had organized the demonstration on the [redacted] 1966. b6 b7C

Page 4 and Page 5 of the March, 1966, issue of "The Thunderbolt", carries a report dealing with the results of the hearings before the House Committee on Un-American Activities where "J. B. STONER, a dominant figure in the NSRP and a Ku Klux Klan agitator," was legal counsel for other witnesses and was himself the last witness called before the Committee during the week of March 14, 1966. STONER alleges in an article on Page 3 of this issue that the Committee "openly endeavored to insult and entrap the patriotic white witnesses who had been subpoenaed before them," and tried to besmirch STONER's reputation "by reading into their record the lies of paid FBI pimps who falsely accuse me of being responsible for most of the racial violence and killings in the South".

Page 9 of the March, 1966, issue of "The Thunderbolt", carries photographs of the NSRP pickets who had been subpoenaed before the House Committee on Un-American Activities in Washington, D. C., February 21, 1966. One photograph identified NORMAN K. ANSPACH as a Washington, D. C., NSRP Organizer. Another photograph identifies J. B. STONER leading a picket line in front of the White House. b6 b7C b7D

SV T-9 on March 9, 1966, advised that [redacted] had identified himself [redacted] for the NSRP in Washington, D. C., having been appointed to that position by [redacted]. The source stated that [redacted] had recently spoken at great length about the good work the NSRP is doing to advance the cause of the white man in this country. He had praise for ADOLPH HITLER and called the FBI "subversive".

[redacted] pointed out that a meeting of the NSRP would be held at [redacted] at 3:00 PM. [redacted] This source stated that according to [redacted] there are ten NSRP members in Washington, D. C., and he expected about six people to attend this meeting.

The source stated that [redacted] had spoken of being employed by "a bunch of Jews" at the [redacted] [redacted] planned to return to [redacted] during the Fall of 1966 and get a law degree. He said that [redacted] wanted him to get a law degree, after which he would be of more value to the NSRP.

RACIAL MATTERS (ORGANIZATION)

The July, 1966, issue of "The Thunderbolt", issue #79, was made available July 5, 1966, through Savannah T-1. "The Thunderbolt" is self-described as "the official White Racial organ of the National States Rights Party". A characterization of the National States Rights Party is attached.

National States Rights Party
Convention

Page 8 of "The Thunderbolt" in an article entitled, "Rush Reservation for NSRP Convention", stated that Ned Dupes, National Chairman of the National States Rights Party, announces that the party's national convention will be held on Saturday, August 27, 1966, at the GBU Hall, 820 Linden Avenue, Dayton, Ohio. It points out this date is different from the one previously announced. The announcement continues that the party's national committee is called for a Friday evening meeting before the convention at 8:00 PM at the Dayton National States Rights Party Headquarters, 224 Oak Street. It also announced that the National Executive Committee would meet the day following the convention, the time to be announced at the convention.

The National Chairman further stated in this announcement that the purpose of the convention is to receive reports of party leaders throughout the nation and plan the National States Rights Party's participation in local and state elections during the next few months of 1966 and the elections of 1968.

Page 8 of this issue of "The Thunderbolt" carries a photograph captioned, "Rev. Connie Lynch with Chapter Leader Rev. Andrew J. Stockton, standing (smiling) behind him. Others are local party supporters." An article accompanying this photograph states that Connie Lynch was on a speaking tour for the NSRP in Texas, Arkansas and Oklahoma. Lynch had spoken to a meeting of the Houston Chapter at Houston, Texas, and further commented that the Chapter Leader, Andrew J. Stockton, called the meeting on short notice. The article referred to Stockton as the coordinator of NSRP activities in the Houston area and gave his address as 24 Veenstra, Houston, Texas, telephone number OX2-0590.

The article stated that Joe Carroll, Assistant State Coordinator, was to be in command of the NSRP's forces that were counter demonstrating against the "CORE mobs".

Also, on page 8 of this issue of "The Thunderbolt", is a photograph bearing the caption, "William Brailsford, a fighting white candidate", and accompanying article states that the National States Rights Party is supporting Brailsford for the Maryland State Legislature, in the 12th District of Maryland, in the September 13, 1966, primary election. Speakers at campaign rallies on undesignated dates were to be: J. B. Stoner, Connie Lynch, Dr. Edward R. Fields, Richard B. Norton, Joe Carroll "and others".

Baltimore Jails 3 to Nip Riots

Baltimore, July 29 (UPI)—Three top leaders of the racist National State's Rights Party were arrested on riot charges today as Baltimore courts acted to prevent a recurrence of the racial rallies that led to violence in East Baltimore last night.

The three, released on bail, heeded an injunction handed down by the city's Circuit Court earlier and canceled a rally scheduled for tonight.

Party's Chief Orator

The three are Connie B. Lynch, 54, the party's chief orator who describes himself as a minister, released in \$5,000 bail, and Joseph Carroll and Richard Berry Norton, both released in \$2,500 bail. Earlier they had been indicted by a Grand Jury for inciting racial violence. Also indicted were NSRP members Edwin Hendle and Paul Cardel.

Ten persons were arrested last night during rock-throwing racial clashes that followed an NSRP rally at which Lynch spoke.

Indicted by Jury In Cleveland Clashes

Cleveland, July 29 (UPI)—A grand jury investigating last week's slayings, firebombings and looting in the East Side Negro slums returned eight indictments today. The jurors also questioned four members of the W. E. DuBois Club, an extremist organization labeled a Communist front.

The indictments, first to be handed up by the panel, involved charges ranging from carrying concealed weapons to looting. Three of the DuBois Club members called refused to testify.

RE: COUNTERINTELLIGENCE PROGRAM

'The Thunderbolt'
P. O. Box 134
Augusta, Georgia

'Dear Sir:

I have read a recent copy of your newspaper and regard it as one of our Nation's most timely periodicals. I want you to know that you do not stand alone in your great struggle against Zionism and integration.

Those of us who are true conservative American patriots have banded together in the New York City area in order to sustain the great fight against communism.

Although our organization is young and boasts slightly over 300 solid members, we intend to grow and support organizations who show objectives similar to our burdens.

We are holding our next organizational meeting in Upstate New York on February 15, 1967, and, as President pro tem of our organization, I am preparing a specialized program for that meeting. I want to take advantage of your offer to purchase copies of 'The Thunderbolt' so that our members can read your pronouncements and distribute copies to their friends and relatives.

As soon as possible I would appreciate your sending 20,000 copies of 'The Thunderbolt,' latest issue, to my office at 22 West 26th Street, New York, New York. Please send the copies on a C.O.D. basis and rest assured they will be used to good advantage by patriotic white Americans.

Letter to Savannah
RE: COUNTERINTELLIGENCE PROGRAM
157-9-49

I suggest you do not communicate directly with me through the mails other than to send the copies of "The Thunderbolt," as the enemy has ways of intercepting our communications.

Best wishes to you and the NSAP in the coming year.

23 West 26th Street
New York, New York

New York will note 23 West 26th Street, New York City, is the location of Communist Party, USA, Headquarters. No mention of the Communist Party, USA, should be made in the above-mentioned letter; however, you should add the zip code number to the return address utilized in the communication.

New York attach the enclosed announcement to the letter you will prepare. Insure that the communication is prepared on commercially purchased paper and mailed in commercially purchased envelope from a post office station covering the 23 West 26th Street address.

New York and Savannah keep the Bureau advised regarding any tangible results noted in this effort. Insure FBI interest is fully protected.

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958 issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that

Dear [redacted]

I'm sorry that we were unable to make it to the last meeting, but we hope that it was a success. Inclosed is a list that has been in my files. Perhaps it can be of some value to you. Many of the people whos name appears on this list has written to me at one time or another, and they might be inclined to join the NSRP, if they know of a unit existing in their own state. Give it a try, and lets see what happens.

If you happen to come to N.Y. for some reason or other, you can contact me at the following office, which we are now working out of;
the National Citizens Union, Room 633, 156 5th. Ave., N.Y.C., N.Y.

NATIONAL STATES RIGHTS PARTY

The April, 1967, issue #88, of "The Thunderbolt", which is self-described as "the official White Racial Organ of the National States Rights Party", a characterization of which is attached, contained an article on Page 3 captioned "Negroes Operate Underground Radio". This article indicated that on February 12, 1967, an unlicensed radio station which calls itself "Radio Free Harlem" went on the air in New York City. The article disclosed that the radio broadcasts for approximately half an hour at a time and that the Federal Communications Commission has not been able to locate the operators of this station. The article continued by stating that the station broadcasts mostly Negro music and makes appeals for the support of Congressman Adam Clayton Powell. The station also requests that contributions be sent to Powell's church. The article indicated that such a radio station could "wreak" additional havoc by urging the Negroes to rise up in arms and furnish instructions to guerilla fighters in the event of possible forthcoming riots in the Summer, 1967.

Page 7 of the same publication reflects a letter written to the editor of "The Thunderbolt" by Roy F. Wake, 2508 South Enchid Avenue, Berwyn, Illinois. The letter calls for throwing out union officials that give pension funds to "blacks and beatnik scum" for civil riots. It also calls for walking out on sermons and non-participation in church programs which preach race mixing. It also calls for the joining, supporting and working with the National States Rights Party to make this nation a better place to live.

Page 8 of the publication contained a notice that Dr. Edward R. Fields was scheduled to speak on Saturday, April 15, 1967, at 7:30 p.m., at the National States Rights Party Hall, 224 Oak Street in Dayton, Ohio, and was to speak the following day, April 16, 1967, in Middletown, Ohio.

NATIONAL STATES RIGHTS PARTY
(NSRP)

The July 1967 issue, number 91, of "The Thunderbolt", self-described as the "official White Racial organ of the National States Rights Party" (NSRP), a characterization of which appears in the Appendix, contains numerous articles regarding the Israeli attack on the USS LIBERTY on June 8, 1967, in which 34 members of the U. S. Navy were killed and 75 wounded. In one of the articles captioned, "Jews Desperate to Cover Up USS Liberty Attack", the publication states, "We demand aid and support to the Arab people in their fight for freedom and liberation of lands taken by the Jew aggressors." The article continues that support of the stand can be manifested through distribution of extra copies of "The Thunderbolt" and joining the National States Rights Party (NSRP).

Page 7 reflects an article captioned, "Communists Say 'Outlaw Anti-Jewism'", in which information is set forth regarding the State of New York revising its State Constitution for which a convention has been called. The revision of the State Constitution concerns any incitement to racism or Anti-Jewism be considered a crime punishable by law. This revision has gained the support of the New York Communist Party of which Gil Green is State Chairman. The article continues by stating that the "U. S. Reds" also urged that students be given full "participation in all policy making decisions of State Colleges and Universities and also called for the banning of ROTC military training on college campuses.

Page 7 also contains an article captioned "NSRP To Challenge Negroes in Cleveland", in which the article states that the NSRP

is giving its main attention to Cleveland and will bring in outside help from all over the Nation to assist its Cleveland members to counter demonstrate against the black mobs successfully. It continues by stating the "NSRP will not let the black savages coerce Cleveland into surrendering." The article claims that Charles O. Farris, described as the NSRP Chapter Leader, has prepared the rally grounds and the whites will march through Cleveland to let the officials and the businessmen of Cleveland be aware that there will be no surrender of white rights to "Lucifer King and his black mobs". The article claims that Connie Lynch will be in Cleveland arousing the whites to defend their rights by the time this issue of "The Thunderbolt" is received and that shortly after July 4 Doctor Edward R. Fields, National Director, and R. D. Eldridge, the National Organizer, and J. B. Stoner will be in Cleveland to help lead the struggle for the white rights. Further on in the article the NSRP "has called for supporters from throughout America to head for Cleveland to back up the party leadership and defense of white people of Cleveland. Those who are not tied down with jobs are expected to arrive in sufficient numbers to more than counter balance the Negro demonstrators. Whites have a Constitutional right to peacefully counter demonstrate for their rights and that is exactly what the NSRP is now going to do in Cleveland. All whites who can go to Cleveland to support the NSRP's 'white power' demonstration should immediately notify the National Headquarters of the party at Post Office Box 6263, Savannah, Georgia. When they arrive in Cleveland they should immediately contact Mr. Charles O. Farris by phoning him at 961-8963."

Further on in the article it states "at first the blacks thought it would be easy for them to take Cleveland. Now that the NSRP has accepted their challenge and moved to block their evil and diabolical plans, the Negroes are doomed to defeat and another white victory is expected. The NSRP is one organization that knows how to stop the black savages,"

Page 8 of this issue of "The Thunderbolt" is captioned, "Federal Courts Go Berserk", which contains a series of articles regarding the decisions of the Federal Courts in regard to the Welfare Residency Law, forced bussing in integrated areas, mixed marriage rulings and race mixing.

Page 9 announces the National Convention of the NSRP for 1967 to be held in Jacksonville, Florida, August 25, 26 and 27, 1967 at the Carpenters Hall, 920 Main Street, with the NSRP National Committee meeting being held 8:00 PM August 25 in the Hall. This announcement has named the host as "local NSRP Leader GENE WILSON".

NATIONAL STATES RIGHTS PARTY
(NSRP)

Page 9 also contains article captioned, "FBI Harasses New Mexico Police in Fantastic Case". This article deals with the recent Mexican uprising in the State of New Mexico, part of which consisted of an armed attack upon the County Courthouse to release Mexican prisoners. It claims that the New Mexico National Guard supported by tanks and State Police moved out to capture the Mexicans whose arrest was subsequently effected. The article continued by stating that the Justice Department had ordered the FBI to determine whether or not the rights of the Mexicans were violated when their homes were searched without warrants.

Page 10 has an advertisement regarding "White Power License Plates" consisting of "The Thunderbolt" flag, which are available through Eddie S. Corley, Chairman, Greensboro, NSRP, P. O. Box 11125, Greensboro, North Carolina, for \$1.25 each.

Page 10 also contains an article captioned "Negro Brainwashes at FBI Academy". This article reflects that State and City Police Departments sent promising police officers to the FBI National Academy for special training and that President Johnson had sent one of his appointments, James B. Parsons, a Negro Federal Judge from Chicago, to lecture to the June 7 graduates of the Academy. In the lecture Judge Parsons claimed that "minority groups deserve special attention and protection". The article continued by quoting the Judge as stating that a personally prejudice police officer "makes the Government the peoples enemy" and that "such a policeman makes governing a universal irritant." The last paragraph of this article asserts "if local police officers are going to have to sit through such insulting brotherhood propaganda talks at the FBI Academy, the time has come for local citizens to request that their City fathers cease using such FBI training--it is not needed."

Page 12 has an article captioned "Blacks Want White Jobs", which pertains to 24 Negroes who have gone into the U. S. District Court in South Carolina in an effort to force Campbell Soup Company's frozen food plant at Sumpter to hire unqualified Negroes in place of qualified whites.

Page 12 also contains an article in which Philip Bobbitt, identified as the 18-year-old nephew of President Lyndon Johnson, refused to cooperate with the police when he returned from his Austin, Texas home where he had been recovering from a severe beating given him near the Volunteers in Service to America (VISTA) in a predominately black area of Venice, California.

**NATIONAL STATES RIGHTS PARTY
(NSRP)**

The article claimed that Bobbitt did not name the race of his assailants nor would he assist the Los Angeles Police Department in viewing possible suspects. Bobbitt, the son of Mrs. Becky Bobbitt, identified as President Johnson's younger sister, claimed that his attackers thought him to be a white stranger in their area.

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

The August, 1967, issue, numbered 92, of "The Un-American", self-described as "the official white racial organ of the National States Rights Party" (NSRP), a characterization of which appears in the Appendix, contains on page 8 a request for contributions to be sent to the Jordan Red Crescent, care of the Palestine-Arab Delegation, 441 Lexington Avenue, Suite 509, New York City, New York. This article describes the Jordan Red Crescent as "same as American Red Cross".

Page 9 contains a full page article announcing that one of the convention guest speakers at the National Convention of the NSRP to be held in Jacksonville, Florida, on August 25, 26 and 27, 1967, will be Dr. Gabriel Bartarseh, who is described as a native of Bethlehem and having been born in Palestine. The article disclosed that he had received his Bachelor of Arts degree at the College of Lebanon and received his Masters and Doctors degrees at the University of South Carolina. He is further described as a practicing Physicologist. He is described as a Christian, the father of two children, a girl two years of age and a boy seven months and a member of the American Physicological Association, the American Education Research Association, and the American Council on Measurement and Education. articles on Jewish aggression in Palestine have appeared in the newspapers and that he has been in direct contact with Arab people in both America and Palestine. He is scheduled to speak at the National Convention at 4:00 p.m., on August 26, 1967.

The article further states that on August 25, 1967, on Friday night, there will be a meeting of the Party's National Committee and Open House for all who will attend the convention. The convention itself will begin at 1:00 p.m. in Carpenter's Hall, 920 Main Street, Jacksonville, on Saturday, August 26, 1967, and continue on into the evening. On Sunday afternoon, August 27, 1967, a meeting of the Party's National Executive Committee is planned. The article states that W. E. "Conc" Wilson, NSRP, Duval County Director, is in charge of arrangements.

The purpose of the convention, according to the article, will be especially concerned with what can be done to stop the Communist Revolution that is now under way in the United States. It will also be concerned with taking measures to "stop the Jews from dragging us into a war in the Middle East". It will also deal with the constitutional right to bear arms. It will also deal with solving the problem of what to do when "politicians like Governor Romney of Michigan refuse to do their duty, refuse to uphold the law and allow lawless black beasts to burn down cities". The article continues by stating that "one of the best ways to stop the Communist Revolution is to stop race mixing and the black mobs and repudiate every politician who sides with the black savages against his own people". The speakers for the convention that are mentioned in the article include Ned Dupes, Connie Lynch, Dr. Gabriel Bartarseh, Kenneth Adams, Gene Wilson, R. D. Eldridge, Allen O. Kern, Mike Landis, Richard Norton, Roy Wake, Joe Carroll, Thomas Ross, Marvis Brown, Newman Britton, C. Glenn Ferrell, Eddie Corley and Mike Cameron. The article states that most Party officers will be staying at the Ed Verano Motor Court Motel, 2515 Phillips Highway, Jacksonville, which is the same as 2415 U. S. Highway #1 South.

She stated that she does not know how she could have gotten on their mailing list and have never read 'such trash' before. She advised that her first thought was to write the publisher and tell them what she thought about it, which she plan to do later, but thought the FBI would be interested in receiving same.

[Redacted] was thanked for ~~xxxxxx~~ advising the NYO. It was pointed out however, that the FBI has an office in Savannah, Ga. which is no doubt aware of same.

NATIONAL STATES RIGHTS PARTY
(NSRP)

The April, 1968, issue, #100, of "The Thunderbolt", the official publication of the National States Rights Party, a characterization of which appears in the attached Appendix, has a page one article headlined "Riot Commission Report Backfires.... Whites Openly Protest LBJ's Charging Them Guilty of Riots".

The accompanying article attacks the conclusions reached in the recent report issued by the National Advisory Commission on Civil Disorders, charging that the appointed committee did not write the report but that it was entirely written by David Ginsburg whom it identifies as a long-time member of the socialist Americans for Democratic Action. The article concludes on page two that it is time to cease appeasing the Negro and it is time to get tough with him. It notes that the police in Orangeburg, South Carolina, have shown how to put down riots and relates that once black insurrectionists were gunned down by the law officers, peace returned.

An article on page two charges that "another Jew" also wrote the State of New Jersey riot reports. This article concludes that it is organized Jewry which continues to tell the Negroes they are oppressed and should demand more. It states that repeatedly the Jew agitates the Negro to violence.

Page three contains a headlined exhortation for readers to write their congressman in order to "beat open housing".

Another article on the same page relates a story that rich Negroes are traveling to Sweden to obtain white wives. This article also contains the claim that "The Thunderbolt" circulates in all fifty states and in all of the western European countries.

Page four contains an article commenting on the court leniency given individuals identified as supporters of President Johnson. It names such individuals as Bobby Baker, Ralph Ginzburg and Louis Wolfson.

The principal article on page five charges that Negroes desert under fire in the war in Vietnam, relating that the Negro has been given the opportunity to prove his "equality" but has failed.

The editorial page, page six, contains the masthead which notes that "The Thunderbolt, Inc." is published monthly and that the subscription rate is \$5 per year. It gives the mailing address as Post Office Box 6263, Savannah, Georgia, and identified the editor as Dr. Edward R. Fields.

The editorial on this page which is by-lined Dr. Edward R. Fields pertains to a charge that Israel has declined to pay for the destruction of the USS Liberty. It exhorts the readers not to forget the 34 men killed on the Liberty which it says were murdered on the Jewish altar of war.

The letters to the editor which commenced on page six contain a letter from Mrs. Alton Wayne Roberts, Meridian, Mississippi, whom it identified as the wife of a framed Mississippi patriot who asks that white men stand and fight. The letter charges that the convicted men were placed before a court of blind justice, harassed by the FBI, threatened with phone calls and letters and thrown in jail from a scheme well planned for being white Christians.

NATIONAL STATES RIGHTS PARTY

Another letter to the column is identified as being from a "I. Michaels, New York" which relates in a column and a half various information about Stalin which he says clears the Jewish smoke screen from the matter. Another letter is identified as being from "G. H." of Sevierville, Tennessee, which charges that the politicians of Knoxville have made a league with the Jews of Knoxville to keep the Negroes cool this summer. This letter states that the writer has read the book "The Negro a Beast" and highly recommends it, stating also that the reader has purchased 35 copies of the March edition of "The Thunderbolt" which he would distribute.

Other letters in this column are also identified only by initials.

An article on page eight comments that the present edition of "The Thunderbolt" is the 100th edition, noting that the first edition was published 10 years ago in Louisville, Kentucky and was produced in the attic of the residence of Millard D. Grubbs. The article notes that the five patriotic friends in Louisville financed the initial monthly deficits of the publication since every edition lost money the first year.

This same article also notes that other publications have merged with "The Thunderbolt", identifying them as "The Georgia Tribune", "The Rebel", "The Virginian", "The American Digest" and "The X-Ray".

Page eight also notes that meetings are to be held on April 3 and April 4, 1968, at Hattisburg, Mississippi, and Jackson, Mississippi, respectively at which J. B. Stoner of Savannah, Georgia, and local speakers would speak.

Page nine is mostly devoted to an article attacking Louis E. Wolfson and commenting on his conviction. This same page also reproduces a letter from the "Friends of Lou Wolfson Committee, Jacksonville, Florida", under a headline which charges that Jacksonville Jews rally behind a convicted criminal.

NATIONAL STATES RIGHTS PARTY

Page ten relates the story about a reported incident which occurred in the filming of a Plymouth Motor Corporation sponsored television special on April 2 1968. The article states that a white female singer placed her hand "tenderly" on Harry Belafonte's arm and that a Chrysler-Plymouth advertising manager protested. The article states that this protest resulted in the firing of the individual and reminds readers to remember the event the next time they purchase a car.

Page eleven reproduces an application for membership in the National States Rights Party with the accompanying pledge that the signer is against Jewish communism monopoly, race mixing and internationalism. The pledge also contains other promises.

Page twelve is mostly devoted to a list of books and literature available from "The Thunderbolt" and it also contains an article urging readers to purchase additional copies of "The Thunderbolt" to distribute.

This same page contains an announcement that Dr. Edward R. Fields would speak at San Diego, California, on April 18, 1968, and at Los Angeles, California, on April 19-21, 1968. It states Oregon and Washington meeting notices would be later mailed to supporters.

This edition of the "The Thunderbolt" also contained an accompanying single sheet of paper which requests support of a National States Rights Party headquarters building fund. This leaflet states that the National States Rights Party needs a permanent home for its headquarters and it would be a tremendous boost to the work the National States Rights Party is performing. The bottom portion of the request for assistance contains a form which readers can mail with their contribution to National States Rights Party headquarters.

The June, 1968, Edition 102, of "The Thunderbolt", the official publication of the National States Rights Party (NSRP), a characterization of which appears in the attached Appendix, headlines a main front page article, "Negroes Demand Guaranteed Annual Wage... White Peoples' Taxes To Triple-- Humphrey, Kennedy, McCarthy Back Plan".

The accompanying front page article is critical of the proposed plan to guarantee an annual wage. It also alleges that various public figures, such as Robert F. Kennedy, Senator Percy, Senator Eugene McCarthy, and Vice-President Hubert Humphrey, support the plan.

It exhorts the readers to write their Congressmen to oppose the plan, advising that it would be cheaper to ship Negroes back to Africa than to continue ridiculous welfare spending.

A sentence under a front page picture identifies a Mr. Joseph Mlot-Maoz, 18 Boardman Street, Salem, Massachusetts, as the individual carrying a picket sign. The individual is also identified as a NSRP supporter who was stabbed by so-called "Poor Peoples" marchers.

Various articles on pages 1, 2, and 3 are critical of Martin Luther King who, it states, attended a Communist training school: "Time" and "Newsweek" magazines which, it states, are run by Jews; as well as President Lyndon B. Johnson who, it states, is being advised on Viet Nam war policy by a Jew, Walter Rostow.

An article on page 4 notes that, on May 4, 1968, Vice-President Hubert Humphrey announced that the head of his finance committee would be Sidney J. Weinberg, whom the article identifies as a Jew. The article is critical of so-called Jewish domination of America through manipulation of elected officials, and the last sentence in the article states that the time has come for every conscientious Christian to join hands and take back control of our government.

Another article on page 4 is critical of Israel's reported refusal to pay requested benefits for the MIA killed in the attack on the "USS LIBERTY".

The entire page 5 is devoted to an article concerning Robert B. DePugh, whom it describes as the well-known leader of the Minutemen (see Appendix). This article is also illustrated by a reproduction of an FBI Identification Order for DePugh, and the accompanying article relates an account regarding DePugh's reported conspiracy to commit bank robberies in the State of Washington.

The same article notes that DePugh continues to run the Minutemen by long distance telephone, and is publishing a newsletter called "Underground News Bulletin" which "The Thunderbolt" receives. The article notes that DePugh has successfully evaded apprehension and is defying the Federal Government.

Page 6 is the editorial page, which identifies "The Thunderbolt" as being published by The Thunderbolt, Inc., Post Office Box 6263, Savannah, Georgia, and the Editor as Dr. Edward R. Fields.

The Editorial is critical of President Johnson, charging him with personally contributing to the recent destruction occurring in the Nation's capital. It charges President Johnson with a number of actions, including his ordering police not to shoot Negro looters or arsonists, and resisting for 20 hours a request that troops be used to stop the rioting.

NSRP

Letters to the editor comprised the most of the balance of page 6 and most of page 7. These letters include one from a Ned Guemey, San Francisco, California, which that the prime reason for the growth of hereditary mental illness, venereal disease, and drug addiction is the ever-increasing proportion of Negro and Jewish mongrels within the limits of our national boundaries.

Page 8 contains an article announcing that "The New Patriot" magazine has merged with "The Thunderbolt". The accompanying article notes that "The New Patriot" magazine, over the past two years, has gained the reputation as America's Number One White Racist Intellectual Quarterly. It notes that the printing, postage, and clerical costs finally overcame this outstanding magazine. The article relates that, beginning this month, all readers of the magazine will begin receiving "The Thunderbolt" and that, by special arrangement with the magazine editor, Stephen Langton, all White Racist books and literature of the magazine will now be available to "The Thunderbolt" subscribers.

Another article on page 8 reports a California tour by Dr. Edward R. Fields, of "The Thunderbolt". The article states that four very important meetings were held, the first of which was in San Francisco. It notes that a number of new people were contacted who were interested in the establishment of many Chapters in the San Diego area, and that the speakers at the meetings were Dr. Fields, Rev. Connie Lynch, and California NSRP Coordinator Neuman Britton.

The article notes that these three speakers were joined in Los Angeles by Bob Barber, of Fresno, California, who is described as a long-time supporter.

The article comments that a second Los Angeles rally was also held in the Embassy Auditorium and was attended by a packed hall that overflowed into the balcony.

This article notes that there can be no doubt that Los Angeles is one of the "real hot spots of NSRP support".

NSRP

The article describes the San Francisco area as a hotbed of leftist thinking and agitation. It notes that the NSRP is active in that city, and that the meeting hall was packed with enthusiastic supporters who desire more active Chapters.

Another article on page 8 is by-lined Kenneth L. Adams who is identified as the Alabama State Organizer, which article is headlined "A Bold Open Stand-- The Only Way To Win". The article calls for a bold and open stand against the Negroes and Jews.

Articles on pages 9 and 10 relate to alleged scientific differences in the Negro and white races.

Page 11 contains an article reportedly reprinted from the April 28 issue of "Advance-Star" of Burlingame, California, headlined "NSRP Meets In San Francisco". This same page also contains an announcement regarding "White Power Rallies" scheduled for June 4, 5, and 6 at Meridian, Mississippi, announcing that the topics would be how to win victory for the white race and how to smash the black revolution.

Page 12 contains a message from Dr. Edward R. Fields addressed to "Dear Patriotic Reader:". This message notes that the purpose of "The Thunderbolt" is to awaken, stir up, and provide an action program for white Christian Americans. It also notes that increasing the circulation of the newspaper is vital in reaching the uninformed masses of white people. It urges the reader to order extra copies of the newspaper for distribution, as well as asking interested people to subscribe.

All sources not identified in the Appendix have furnished reliable information in the past.

APPENDIX

"MINUTEMEN"

The "Minutemen" was organized in June, 1960. The present headquarters are Norborne, Missouri, and ROBERT B. DE PUGH, Norborne, Missouri, is the national coordinator. Statements by DE PUGH and literature distributed by the organization in the past indicated its purpose to be the resistance to, and exposure of, the spread of communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign power which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

The Kansas City Star Newspaper, Kansas City, Missouri, has on numerous occasions, carried various articles concerning DE PUGH and the "Minutemen", wherein it was stated that members of the organization participate in maneuvers utilizing guerrilla tactics with machine guns, mortars, grenades, and other firearms.

DE PUGH has publicly stated on numerous occasions that the "Minutemen" as an organization does not buy or store arms or ammunition; however, the individual members of the organization maintain arms and ammunition, which is their constitutional right.

"Minutemen" literature mailed to members in the past has furnished instructions in the use of explosives and has also given details for the making of explosive compounds from such readily accessible ingredients as a common fertilizer, ammonium nitrate.

In May, 1966, a confidential source advised that ROBERT B. DE PUGH, in a recent message to the national coordinators of "Minutemen," announced the "Minutemen" organization was being divided into two separate bodies. One group to be composed directly of members who have been able to maintain complete secrecy of their identity, from both the public and from Government investigative agencies. The second group to be made up of all members who have been publicly identified, or who there is reason to believe have been identified as "Minutemen" members by an agency of the Federal Government.

"MINUTEMEN"

In announcing the re-organization, DE PUGH stated that a complete resistance movement involving total resistance must involve not only guerrilla warfare and not only resistance warfare, but that it must involve psychological and political warfare as well.

DE PUGH stated that what he was proposing and trying to effect was to build a political party that as such would have legal immunity, which would serve as a communications network for patriots that have other interests, and among whose members these other patriots can maintain their secrecy of identity. All future correspondence and communications on the national level will be done in the name of the Patriotic Party. DE PUGH also advised that if ever called to court he expected to be in the future, he was going to state that far as the national organization is concerned, the "Minutemen" had ceased to exist.

DE PUGH, in the announcement, continued to the effect there is no reason why, at some future date, when the environment is more conducive to military action, the Patriotic Party cannot be used once again to pull together various local organizations into one national organization. By acting both as a front and as a means of coordination, the Patriotic Party can be invaluable in the building of a future resistance movement.

DIE IN KENTUCKY IN RACIAL BATTLE

13 Charged With Murder in Clash at Meeting Site

BEREA, Ky., Sept. 1 (UPI)—A white man and a Negro were killed today in a gun battle between Negroes and members of a white supremacy group.

Seven whites and six Negroes were charged with murder tonight.

The shooting broke out at the end of a meeting of the National States' Rights party on an abandoned used-car lot just outside the city limits.

According to the authorities, three carloads of Negroes drove by the lot and fired several shots into the crowd of about 20 men. The whites then raced to their cars and took up the chase. The police said about 50 shots were fired.

Killed were George Boggs, 32 years old, a Negro from Berea, and Elza Rucker, 28, of Lexington, Ky.

Suspects Listed

Charged with the Boggs murder were Connie Lynch, Peter Xavier, Dudley Hughes, Jerry Pope, R. D. Eldridge, Charles Eldridge and Kenneth H. Hale. Charged with the Rucker murder were Robert Herd, Doug Moran, Valfred Rice, George W. White, Arthur Boggs and William Bernard.

The police did not disclose the home towns of the accused. The defendants will be arraigned before a Madison County judge.

Treated for wounds and released from Patty A. Clay Hospital in Richmond, Ky., were Kenneth W. Hale, 18, and Dudley Hughes, 41, both of Dayton, Ohio. Three other persons were reportedly hit by stray shotgun blasts.

Another man, Robert E. Oliver, 56, of Richmond, was struck by a state police car on its way to the disturbance. He was listed in satisfactory condition at University of Kentucky Hospital in Lexington.

Police Chief Donald Tudor called out the entire force in this small community of 4,300 population in eastern Kentucky. State troopers were called in to help.

store windows smashed early today.

The police estimated that 150 persons, nearly all Negroes, took part in the disorders, which broke out shortly after midnight and finally were quelled by the city police and state troopers about 4 A.M.

In an extraordinary session this afternoon, the City Council gave Police Chief W. F. Peach power to "regulate, restrict or prohibit" the assembly of persons and their movement about the city.

The disorder broke out when a white patrolman, Garland J. Boswell, 29 years old, was summoned to the theater, where a stage show had been in progress, to arrest a Negro woman whom the management reported to be drunk and disorderly.

When Patrolman Boswell came out of the theater with the woman in custody, he was jumped by "10 or 12" Negro youths and knocked to the pavement, the police said.

In the fracas, according to

the police, Patrolman Boswell's pistol was seized by Floyd D. Price, 55, a Negro, and when Patrolman James F. Sims came to Mr. Boswell's rescue, Mr. Price fired at Mr. Sims.

Mr. Sims returned the fire, officers said, and shot Mr. Price dead on the spot.

Shortly afterward the disturbances became uncontrollable for the city police and Chief Peach put in a call for state police assistance.

St. Paul Quiet

ST. PAUL, Sept. 1 (AP)—Minnesota's capital was quiet today after two nights of violence that left 52 persons injured, including four policemen who were wounded by gun shots.

Twelve persons have been arrested as a result of the disturbances, which began at a teen-agers' dance in the city auditorium Friday night. Most of the violence occurred in a predominantly Negro area.

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [REDACTED]

[REDACTED] "Common Sense" since the death of the editor, Conde McGinley, on July 1, 1963. She stated she was associated with Conde McGinley for 17 years and since his death has been continuing his editorial policy.

On May 5, 1967, [REDACTED] advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee."

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

NATIONAL STATES RIGHTS PARTY (NSRP)

The February, 1969, issue of "The Thunderbolt", a publication of the National States Rights Party (NSRP), a characterization of which appears in the attached Appendix, headlines a front page story "Nixon Keeps L.B.J.'s Negress As Chief Enforcer Of School Mixing". The accompanying article refers to Ruby Martin, identified as a Negro and as the Chief of the Enforcement Division of Health, Education and Welfare. The article notes that she is an appointee of the previous administration who is being retained by President Nixon. A related article on the front page notes that any school district wishing to "defy these tyrants", HEW, or any parents of children can phone NSRP Headquarters in Savannah, which would send organizers and speakers to help "fight to preserve our children", (from integration).

A news flash on page 2 of the publication notes that "The Thunderbolt" had recently exposed the case of an FBI informer within the Klan who had made a "clean breast of his sordid past". It notes that this news was totally ignored by the daily press and that the "Washington Observer Newsletter" and "The Councillor" have been the only other publications to carry the news. The article notes that the news was reported in "their January 1, 1969 issue that Robert E. McCoy, formerly a paid spy working for the FBI had given a sworn statement to the NSRP of numerous instances in which the FBI planted evidence and other forms of entrapments to convict segregationists in the south".

Page 3 is devoted to news of so-called "bestial acts" of Negroes in Africa. One story notes that a man in Africa had been skinned alive. Another story on the same page is devoted to the story of a white woman in a Detroit, Michigan, church being raped by a Negro. This article urges that it is a matter of honor to fight back and put a stop to the perpetrators of such horrible crimes, noting that our forefathers hanged such criminals on the spot.

Stories on page 4 are devoted to such articles as comments on Arthur F. Burns, identified as a Jew being raised to Cabinet rank. It also notes that President Nixon has named Walter Annenberg, a Jew and a gambler, as U. S. Ambassador to Great Britain. One of the articles on this page comments on the appointment of Henry Kissinger and noted that it is "high time the white majority in this country rise up and demand that a Christian be given a chance at this most powerful of all positions in our Government".

Page 5 of the publication contains additional stories regarding individuals identified as Jews whom the article states are Communists.

Page 6 contains the masthead which identifies the editor as Dr. Edward R. Fields and the publication's address as Post Office Box 6263, Savannah, Georgia. Most of the remaining columns on page 6 and 7 are devoted to reprints of letters to the editor, one of which is identified as being from Mrs. Ann Bishop whom it identifies as residing in West Fork, Arkansas, and the former Chairman of the NSRP of Arkansas. Another letter is identified as being from Mrs. Douglas C. Cassada, 474 West Main Street, Danville, Virginia, who is quoted as indicating that she reads and enjoys "The Thunderbolt". Another letter is identified as being from "W.B.", of Van Wert, Ohio, which letter, among other things, describes the Negro as a black animal and gives his allegiance to the NSRP, and declares war on the black man.

Another letter reproduced on page 7 is identified as being from an Arab Official who thanks "The Thunderbolt" and states that they are in complete agreement on the matter of not supplying Israel with any more arms. The writer of the letter is identified as B. Kashmeeri, Director, Saudi Arabian Ministry of Foreign Affairs, 866 U. N. Plaza, Suite 527, New York, N. Y. 10017.

Page 8 is the "entertainment page" and comments that movies are blatant in showing interracial bedroom scenes. Another article on this page notes that white people have been shocked by the Negroes taking over television.

Advertisements on page 8 urge the reader to read and distribute "Back to Africa" which it identifies as the NSRP program for deporting Negroes, which is for sale through the NSRP. The second advertisement on this page urges the readers to join the NSRP.

Articles on page 9 and 10, one of which is identified as being by Drew L. Smith, member of the Louisiana Bar, New Orleans, La., comments on the mental inferiority of the Negro race.

An article on page 11 claims that the NSRP "Renaissance" will purify America, indicating that when America is "free" of Jews and Negroes, there will be no limit to the height of civilization our great white race can reach.

Pages 11 and 12 contain a list of books and literature which can be obtained from the NSRP, Savannah, Ga.

Dear Sir:

"JOINS THE N.S.R.P."

Enclosed is my check for \$10.00. I have received the THUNDERBOLT for some years now, but for some reason I have put off joining the Party. But tonight I couldn't sleep, and I have gotten out of bed to write a letter and mail my membership application. I lay there thinking about the Black Sick-ness and their lies and their vast machines of propaganda obliterating the last clinging roots of truth.

In Lima, Ohio tonight a huge crack in the pipeline burst inundating the area with blocks of Negroes and a area that has been a desert since the forties. The area is being industrialized and hundreds of Mis-teries are being created for war work. The results on television of this "families" homeless and the good citizens of Lima opened their doors to help them. But the cameras showed grinning faces and a well at the time when the food was being turned out again. The oil has played a new role and thousands of gallons are being pulled into further pouring into the outlawed river.

This is a symbol of the world in fact, a black man in the water for a long time. Our people are being treated like city people and the reports from the war are another blessing to the "inner city," a rapist in Iowa murders a sweet little white girl and the fact that he is a Negro is never mentioned, an article in a professional journal champions educational change for the sake of resolving "racial conflict," and Brandeis and Swarthmore and San Francisco, and Afro-hair-cuts and Soul City, North Carolina, and black faces peering out of every magazine printed and the word POOR becoming synonymous with Negro. The black mass spills on. Suddenly, in half

sleep there came a vision of a young boy-- he was saying something, yelling at me, terror in his handsome eyes. Then as he began to run he slipped and the oil engulfed him. And when he rose again he was black. He turned slowly away from me.

I couldn't sleep any longer. And I can't sleep now. It's two a. m. or so, but this letter will go on.

The black animal has declared war on the white man. Uncannily, the press and the do-gooders ignore it. The black animal screams that he wants war, and he throws bottles of gasoline and he shoots policemen and the press and the do-gooders ignore it. The black animal has destroyed our culture and the press and the do-gooders praise him for it and say what we have done he really has done. The black animal would jail us for not selling him our property, and if we won't sell it he would take it. The infernal devastation engulfs us and imprisons us and would make us too, now black.

I hereby declare war on the black man. In the name of a White God and all that is Good and all that our forefathers have hacked out of the wilderness, I declare war. In the name of justice I declare war.

But I am only a man. Thus I give my allegiance to the National States Rights Party. I pledge you every weapon I own and all the strength I can muster.

Very respectfully yours,
W. L.

"The Thunderbolt"
Dear Sir:

We would like to extend our sincerest thanks for sending us a copy of The Thunderbolt and more importantly your open letter to President-elect Nixon.

We are definitely in complete agreement with you on the matter of not supplying Israel with any more arms. I believe that you will agree with me that they are capable of doing more harm and damage in the Middle East if they are supplied with more arms.

On behalf of all the Arabic people, I would like to thank you for your support and I hope that more Americans will wake up to this reality and make a joint effort to stop Israeli aggression.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1955, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-white.
3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.
4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

APPENDIX

NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

Counterintelligence Program
Disruption Of Hate Groups
Racial Matters

ReNYlet to Director dated 12/18/68.

A review of the files of the following white hate groups reflects they are not currently active in the New York Division. Therefore, no counterintelligence proposals are being made with respect to them:

National States Rights Party (NSRP), NY file 105-28550.

United Klans of America, Inc.
Knights of the Ku Klux Klan (UKA),
NY file 157-1558

National Socialists White People's Party
(NSWPP), NY file 157-13.

National Renaissance Party (NRP)

The NRP is the only white hate-type group known to be currently active in the NY division.

The NRP headquarters continues to be located in Apartment 8, 10 West 90th Street, N.Y., NY, the residence of NRP, National Director, JAMES H. MADOLE.

Current active NRP membership fluctuates between 15-20 members.

The activities of the NRP during this past year have been limited to weekly social meetings, school rallies, and an occasional picket line, none of which have resulted in acts of violence on the part of NRP members.

The NYO continues to be of the opinion that the NRP acts as a clearing house for anti-Semitic, anti-Negro individuals who might be prone to acts of violence were it not for the restraint placed upon them by their leader JAMES MADOLE.

In view of the NRP continuing to be ineffective as an organization no counterintelligence proposal is being recommended.
